**Eric Reijers (FIFe)
WCC President**

Eric Reijers was born in the Netherlands but as part of a career move, relocated to the Czech Republic in 1992.

Eric's love of cats goes back to his childhood and he got his "own" Siamese at the age of 6. His father has Siamese in the 1930s and when he went into hiding from the Germans during the WWII, he took his Siamese cat along. Both his Dad and Mitzi survived and she was still there when Eric's parents met and got married

Eric registered his prefix of NL*Pendragon in the mid-80s and bred British (only Blue), Siamese/Oriental and Maine Coons and from 1999 to 2015, only Cornish Rex. During this period Eric and his wife, Pepa, bred numerous FIFe World Winners and they now share their home with 3 neutered CRX Cats, and 2 small dogs.

Eric has been a FIFe International all-breed judge since 2009. He is currently serving as President of the World Cat Congress and also as General Secretary of the Fédération Internationale Féline (FIFe).

Kathy Black (CFA)

I purchased my first pedigree cat, a Maine Coon, and started exhibiting in 1990 and began breeding cats in 1991. I have worked with the following breeds: Somali, Maine Coon, Norwegian Forest Cat, Japanese Bobtail, Oriental and Siamese, Chartreux, and Persians.

In CFA I have served as Somali breed Council secretary, was one of the founding members of the Youth Feline Program (Jr. Showmanship), have mentored many new exhibitors, and served as a CFA judge since 2001. Judging has brought me many opportunities to visit many countries and see the expansion of CFA into many new areas. I am currently the Regional Director for the Gulf Shore Region and am Chairperson for the CFA Marketing Committee.

In my private life I sell Life and Health insurance, like to garden working with Daylilies, play the piano and read.

John Hansson (GCCF)

Currently I am Chairman of GCCF this is my second term in this office I was previously Chairman 2008-2011, our system is such that we are can only serve a 3-year term which cannot be consecutive. Historically it has usually been the Vice Chair who fills the vacancy of the departing chair.

I am at present the only GCCF All Breed Judge, though we are attempting to change the process to enable more to achieve this status.

GCCF Prefix held since 1978, Main Breeds Siamese, Oriental & Cornish Rex, Prefix Pannaduloo. Bred the first GCCF Seal Tortie Point Siamese Grand Champion & Youngest ever Supreme Grand Champion, in 1986 at the age of just over 10 months, who also became the First UK GR PR Siamese Male Neuter 2 years later, Supreme Grand Champion & UK Grand Premier Pannaduloo Blazer.

I became the First Male Official GCCF ALL Breed Judge since the inauguration of Breed Advisory Committees, also Full Independent Judge abroad, judged for many organisations worldwide, these include Australia, New Zealand, South Africa, most of Europe. I am also a guest judge for CFA & have judged for many other organisations including TICA. I am a former Chair of a number of BAC's (Breed Advisory Committee's) these include various different breeds including Birman, Siberian, Joint Rex Breed Advisory Committee (this covers Cornish/Devon Rex/, LaPerm & Selkirk Rex), also the Asian list (which include Burmilla & Bombays) and Singapura BAC's. These positions were relinquished to avoid any conflict of interest, during my term as Chair of GCCF. I have extensive BAC experience in all capacities, Former member of the GCCF Disciplinary Committee for a number of years. I am also currently the event co-ordinator for the GCCF Supreme Show, I recently relinquished my position as a member of our Genetics Committee. I am presently President of the Rex Cat Club also the Progressive Ragdoll Cat Club & RagaMuffin Cat Club, Vice President of the Red Point & Tortie Point Siamese Cat Club.

Currently I am also an Assessor Judge for a number of different breeds.

I bred amongst the first Oriental Silver Shaded & Smokes in the UK assisting the breeds to attain Championship status for all colours. Now retired and I no longer breed cats. Though I own a Chocolate Smoke and White Cornish Rex who was Best Foreign Kitten at our own GCCF Supreme Cat Show in 2018.

I also own a Borzoi & a rescue Saluki. I am married and have twin daughters along with 4 Grandchildren including twins. The eldest being 24 and the twins are the youngest at 12.

David Colley (NZCF)

Australian born I have been in New Zealand for 36 years. We live and work in Lower Hutt where we have a Mortgage Broking Business. My wife and I started out in the Cat world in 1998 showing a Cornish Rex or two. From there it didn't take long to move into breeding them. So, we travelled to Australia and purchased both a stud and 2 queens for breeding and showing. By 2003 we started breeding Russian Blues as well. These are such loving and loyal cats and complimented the Cornish Rex that are comical and so busy all the time. For the last 4-5 years we have added Devon Rexes to our cattery but no longer breed the Cornish Rex. We continue to have a lot of success and fun with our breeding. From there I moved into judges training back in 2003 after years of working and stewarding at many shows around the Greater Wellington area and have thoroughly enjoyed the experience of judging cats in NZ.

Outside of breeding cats and the cat world my interests include tramping, reading and travel. Over the last decade or so we have travelled quite widely through firstly Africa and then Asia. Highlights varying from truck tours through southern Africa viewing the big five to major mountain treks in Nepal and to a lesser extent in China.

Anneliese Hackman (WCF)

First, I bred Persians, then in addition Siamese and Oriental Shorthair. A breeder, who lived in the former German Democratic Republic, asked me for buying one Birman in France for him. I did it! However, I was immediately so fascinated by this cat, Nadine de Khlaramour, which was almost one-year old that time that I kept it by myself. Instead of that cat I gave the breeder a nice kitten. That was the beginning of my Birman breeding. I bred Birman for many years, and I did it with great pleasure.

My last breed was the German Rex. I became acquainted with the breed when my husband fetched some cats at the airport which couldn't travel to USA. Of course, I looked for a new home for the poor cats. But I kept some of them by myself because I was so attracted by the kindness and the wonderful characteristics of the German Rex

Now I am judging already since more than 40 years. I am an All-breed judge. Through this activity I became acquainted with almost the whole world. Some years ago, when I couldn't exhibit my cats anymore, because they had reached all titles which were possible, I got more time and my life was getting a little boring. Therefore, I accepted a function in the Cat scene. First I was member in the German cat federation "1. DEKZV" and fulfilled some tasks up to the Vice President. In FIFé I worked for several years as chairman of the Judges and the Show commission at the same time. Sometime later I left the club and the organization.

I decided to set up a new club named "Deutsche Edelkatze", which is a member of WCF. I am still president of this club. Since the founding of the club I work with a local animal welfare organization. 30 years ago, I founded the World Cat Federation (WCF) in Rio de Janeiro. Here I am the president since the founding. Together with Alva Uddin from FIFé and others, I was one of the founders of the World Cat Congress (WCC) in Venice, Italy.

In the middle of the 90's I attended the meetings of the international committee of the European parliament in Strasbourg for the redesign of the European animal protection law. These redesigned parts of the animal protection law have been ratified by the European parliament in Brussels afterwards and are used in all European countries presently. During all the time I attended several veterinarian congresses and was also engaged as presenter many times.

Additionally, I wrote some books, the most successful one about Birman. I was working at some Video Production and I worked at the preparation of a German CD-Room with the title "All about cats".

I believe those ones were the most important steps of my "cat life". I do not breed anymore because I am too much travelling and have too little time because of my different tasks in the associations which I must process.

Annette Sjödin (FIFe)

Annette Sjödin hails from Gothenburg in Sweden and is currently the President of the Fédération Internationale Féline (FIFe).

She is also the President of Sweden's FIFe member, Sveriges Kattklubbars Riksförbund (SVERAK), a position she has held for a number of years, and President of the Swedish club, Västsvenska Kattklubben. For this club she annually organises a show that usually attracts between 450 and 500 entries. Annette has also been active on a number of commissions within SVERAK. She is a FIFe International All Breeds Judge and has bred Persians, Exotics, Burmese and Siamese.

She took her first judging exam in 1983 and leisurely worked her way through all the FIFe categories in order to qualify as an All Breeds Judge in 2016.

Vicki Fisher (TICA)

Vickie Fisher is President of The International Cat Association and an All-Breed Judge and Ring Instructor. Vickie was a long-time Maine Coon breeder under the cattery name Coonquest. While officially "retired", Vickie's time is dedicated to the cat fancy, her work as President of Albuquerque Kennel Kompadres, a fundraising organization benefiting the Albuquerque Animal Welfare Department, her husband of 44 years, Larry, and her four-footed children.

Sandi Gemmell (ACF)

I have always liked animals and as a youngster I had a black moggie, who moved himself into my parents' house, from the house next door. Many a night was spent at the table with him "helping" me with homework and my dad with the crossword. He died at the ripe old age of 22 years.

I was introduced to pedigree cats in late 1973 by a friend, and in a very short space of time I had gained "Sang" a Siamese Seal Point and "Kami" a Brown Burmese and entered the world of exhibiting. In 1978, I gained a Russian Blue female "Sasha" and TAIENDI Cattery was born, breeding Russian Blues only. I have had many show successes over the years including Supreme in Show on a number of occasions, and consistent Best of Breed annual trophy winner since 1980. I still breed Russian Blues, but it is, and will continue to be, a very small-scale enterprise.

At about same time I decided to train as a judge. I first gained qualification in Siamese and Foreign Shorthairs, and then all Shorthairs by 1981. I extended my qualifications, to All Breeds in 1990.

I am an ACF International All Breeds Judge and have carried out numerous assignments both within the Northern Territory, in every state of Australia, and overseas in Malaysia, China, USA, New Zealand, Italy and South Africa.

I am a life member and involved on the committee of the Cat Association of the Northern Territory, and currently hold the positions of Registrar, Policy and Procedures Manager and a member of the Judges Tutor Panel. In addition, I hold the positions of Vice-President of the Australian Cat Federation and Secretary of the Australian Cat Federation Judge's Guild. My time out of cats is taken up family; two daughters and 3 grandchildren. Our household also has 2 dogs who all get on very well with the 8 cats.

Shirley Addison (SACC)

I have worked in the Retirement Industry for 26 years and have been self-employed since 2003. I am an independent Principal Officer and Trustee for various private pension and provident funds.

I have the luxury of working from home and, although my work is extremely time-consuming, the best part is that I am able to keep an eye on my cats. All my office helpers are four-legged and furry! Yes – I have on the odd occasion had to explain to my clients why some documents are "tooth-marked".

My very first show (into which I entered a pet) was Cat of the Year in 1995.

I acquired my first Birman in 1996, after being on a waiting list for three years! I have been breeding Birmans since 1997 under the names of Timshay Cattery and Moonpawz Cattery. I began showing my Birmans in 1997, and became a steward at the same time.

I started the judging course in 2006 and am qualified as an All Breeds Judge in 2017.

I am currently the Chairman of the IJN judge's panel, SACC President and Secretary of the SA Council of Cat Judges.

Barbara La Rocca (ACF)

Barbara was introduced to and instantly fell in love with the Burmese breed in 1979 and began breeding under her Riokay prefix. In 1988 she decided to bred Abyssinians as well. She has also imported Somalis and bred Burmillas, Tonkinese and Maine Coons. Barbara bred Supreme Exhibit winners in both Burmese and Abyssinians and has had numerous Best Kitten and Cats of the Year with QFA. She has twice proudly achieved Group 3 Prefix of the Year with QFA.

Barbara began training with QFA as a Shorthair judge in 1988. After judging for a couple of years she started training in Longhairs and in 1998 became an All Breeds judge with QFA. She has judged and continues to do so throughout Australia and New Zealand and has also judged in Kuala Lumpur, Germany and the Netherlands.

In 2017 Barbara returned as President of QFA Inc. Barbara was President of QFA Inc. from 2002 – 2015. She is also currently President of Burmese Cat Fanciers Club of Qld and previously held the positions of President of the Abyssinian & Somali Cat Club of Qld and is currently the President of the Gold Coast Cat Club.

INTRODUCTION TO THE WORLD CAT CONGRESS

In 1994 the Italian cat club, Associazione Nazionale Felina Italiana, organised a major event in the cat fancy under the title 'Cats and Man'. This event took place in Venice in June of that year and consisted of a seminar in which some distinguished Italian scholars from the fields of art, literature and science took part. There was also an international cat show and a meeting between the representatives of several of the world's major cat associations from the United States, Don Williams, President of the Cat Fanciers Association (CFA); from the United Kingdom, Brenda Wolstenholme, Chairman of the Governing Council of the Cat Fancy (GCCF); and from Europe, Alva Uddin, President of FIFe, and Anneliese Hackmann, President of the World Cat Federation (WCF). Most of those taking part in this first meeting saw the importance of international co-operation and it was decided to establish a regular meeting of the presidents of the associations, to study and to seek solutions for problems of common interest. Subsequent meetings have followed the pattern established in Venice: seminars, an international show at which the participating heads of organisations are invited to judge and a meeting of representatives of the world's cat associations.
